

10 Good Things To Do While At Hunter Hills Lodge:

1 A great way to rejuvenate after the stress of travel or a hard workout in the hills. Visit **"Intrigue Health Centre"**. This is located in a tranquil garden setting just a few hundred yards away from Hunter Hills Lodge. Treat yourself to therapeutic massage, a deep cleansing facial, infrared sauna, steam room, aurora therapy or steam clay treatment.

2 A must see for wildlife lovers. Just 45 minutes drive from Hunter Hills Lodge we have a **Colony of Little Blue Penguins**, the world's smallest penguin. This colony is the easiest place in New Zealand to view good numbers of Blue Penguins. Best viewing is in the evening and can be combined with a trip to another colony of Yellow Eyed Penguins, and a restaurant meal.

3 Just 1 ¼ hours drive from Hunter Hills Lodge is the **Sir Edmund Hillary Alpine Centre**. Sir Edmund Hillary a New Zealander, was the first person to climb to the summit of Mount Everest, the world's highest mountain. At this Alpine Centre a 3D feature presentation will take you on a visual spectacular that follows the geographical and cultural evolution of Aoraki, Mount Cook (New Zealand's highest mountain). Combine this with a restaurant meal and spectacular short walks in the Mount Cook National Park.
